

Minutes of the Annual Parish Meeting for Barbon, held at Barbon Village Hall on Wednesday 24th May 2023 at 7pm.

There was an attendance of 13, including most of the Parish Councillors and the Parish Clerk, Kevin Price. Apologies for absence were accepted from Councillor Roger Groves.

Minutes:

The minutes of the Annual Parish Meeting, held on 23rd May 2022, were taken as read and signed by Councillor Anstiss. There were no matters arising.

Chairman's Report: None (due to illness)

Public Participation:

- a. The attention of the meeting was drawn to the condition of the parish notice board and it was agreed this should be repaired.
- b. Consultation No 6 – Yorkshire Dales Local Plan. For some unknown reason, details of this consultation had not reached the Councils at Barbon, Casterton, Ireby with Leck or Kirkby Lonsdale. YDNP are willing to give extra time for any responses to be made and these should be submitted by 30th June.

After much discussion, it was resolved to ask Councillor Ian Mitchell to convene a Parish Meeting (this would not be a Council Meeting) so that the views of residents could be formally made known.

As a planning application has not yet been made, there is little the Parish Council can do, but individuals can make their views known directly to YDNPA.

The meeting closed at 8pm
